

INTRODUCING

FIDELITY TITLEFORCE PRO

A RED SHED MOBILE APP

Accessing Property Ownership Data Just Got Easier.

*The next generation of property ownership data
access is here. Use it anywhere on your mobile device!*

TitleForce was the industry's first mobile app to provide property ownership information at your fingertips no matter where you are. It made the need to use a computer to pull a property profile or retrieve documents obsolete. **Fidelity TitleForce Pro** is an innovative improvement of that original app with upgraded features that will provide fast, accurate property info on the spot. Visit your device app store today for this next generation tool that will keep you at the top of your game and help you improve your bottom line.

- ◆ **Access to property ownership data** for over 3200 counties across the U.S. so you're sure to be able to find what you're looking for.
- ◆ **Ownership data updated daily** to make sure you're looking at the most accurate data available.
- ◆ **Integrated** Payment and Affordability calculator.
- ◆ **Create farming areas** and download the ownership data; keep notes and canvassing information that you can later load into your CRM.
- ◆ **Access to over 1.4 billion recorded documents** with one touch of the screen.
- ◆ **And More!** Contact your Fidelity rep today for more info.
